Therapeutic Specialties

- Provide therapeutic intervention services to children, adolescents, and adults using individual, family, and group treatment.
- Specialize in working with couples struggling with infidelity, raising children- especially Special Needs children, and assisting couples in divorcing with integrity and in the best interests of themselves and their children.
- Special emphasis on helping couples create strong Long Term Loving Relationships that endure the stressors and temptations of life and that assist each partner in becoming the person each aspires to be.
- Work with adults and children recovering from emotional and sexual abuse and with the families to assist them in managing their difficult feelings to create a cohesive and psychologically happy and healthy family.
- Offer group therapy and skill building for couples learning how to resolve relationship problems and strengthen their relationships.

Teaching & Training Experience

- Teaching The Relationship Institute (TRI) approach to therapy to mental health professionals along with Steve Solomon, Ph.D. for more than a decade. Venues include the California Psychological Association statewide meetings, the San Diego Psychological Association, the University of Irvine, Alliant University.
- Offering an on-line continuing education course in the TRI approach to Couples Therapy entitled, “Breaking Up is Hard to Do” at www.ContinuingEdCourses.net.

Media Presentations

Radio interviews in the United States and Canada, and various television and print interviews.
